

Why buy insurance?

We don't like to think about it, but unexpected accidents or illnesses can occur when you and your family are traveling, and finding and paying for adequate medical attention can be very difficult.

Healthcare costs around the world can be very expensive; hospitals can charge thousands of dollars per day. Without adequate insurance coverage, you could be responsible for medical costs that could have an immense impact on your personal finances. Why take this risk?

Plan Features

Emergency Medical coverage while in Canada, and worldwide (excludes expenses incurred during Home Country visits) provided at least 51% of your coverage is spent in Canada.

Maximum up to \$100,000 of Accidental Death & Dismemberment

Pre-existing conditions are covered if stable 90 days prior to the effective date of the policy
