

Insurance ID Cards:

One way we are becoming greener is to no longer automatically mail out ID Cards. Instead, we will send an email notification when the digital ID card is available to be downloaded from My Account. An insured student may also use My Account to request delivery of a permanent ID card through email.

UHCSR Mobile App:

The UHCSR Mobile App is available for download from Google Play and Apple's App Store.

Features of the Mobile App include easy access to:

- ID Cards – view, save to your device, fax or email directly to your provider. Covered dependents are also included.
- Provider Search – search for In-Network participating Healthcare or Mental Health providers, call the office or facility; view a map.
- Find My Claims – view claims received within the past 60 days for both the primary insured and covered depended; includes Provider, date of service, status, claim amount and amount paid.
