Benefits are only payable for the plans and the specific amount of insurance selected, paid for and accepted by the *Administrator Company* acting on the *Insurer's* behalf at the time of application, and shown on *your* confirmation of coverage. Any benefits payable do not include interest charges. Benefits payable as a result of *your* death will be payable to *your* named beneficiary or to *your* Estate.

Ontime Care, on the *Insurer's* behalf, will coordinate all benefits in accordance with the Canadian Life and Health Insurance Association guidelines. Reimbursement will not be made for any costs, services or supplies that are payable to *you* under a motor vehicle insurance policy or legislative plan pursuant to the no-fault benefits schedule under any Insurance Act, or for which *you* receive benefits from any other party pursuant to any policy or legislative plan of motor vehicle insurance, until such benefits are exhausted. *You* may not claim or receive in total more than 100% of the loss caused by the insured event. If *you* are retired with an extended health plan provided by a former employer, with a lifetime limit of up to \$100,000, *Ontime Care*, on the *Insurer's* behalf, will not coordinate benefits with that provider, except in the event of *your* death.
