2. The Insurer reserves the right to decline any application or any request for an extension of coverage.
3. When a medical *emergency* occurs, the *Insurer* reserves the right to request for *you* to return to *your* home country if the medical evidence obtained from our medical advisor and *your* local attending *physician* confirms *you* are able to return without endangering *your* life or health. 4. Only one policy can be issued to *you* and all premiums paid for any additional policy will be returned to *you*. When more than one policy of this form is issued by the Insurer and is in force with respect to *you* at the time of claim, only one such policy, the earliest by effective date, will apply.
5. Trips outside Canada during the coverage period are valid as long as at least 51% of the coverage period is spent in Canada. Visits to *your country of origin* are permitted, however, coverage will be suspended and expenses will not be covered, nor premiums refunded, while in *your country of origin*, except where the trip to *your country of origin* is expressly taken in order to participate in a school-organized sporting or extra-curricular event.

2. Expiry Date - Coverage under this plan terminates on the earliest of:
 - a) 11:59 p.m. (local time) on the expiry date indicated on the application or policy confirmation;

E. **Premium Payment** - The full premium is due and payable at the time of application and will be determined according to the rate schedule in effect at the time of application and the *Insured's* age as of the effective date. No refund will be issued if the amount of premium to be reimbursed is less than \$10 per policy.

G. **Coverage Offered** - This insurance provides coverage for the *reasonable and customary costs* incurred by *you* in case of *emergency* until the initial *emergency* is resolved and the condition stabilized, provided at least 51% of *your* coverage period is spent in Canada. *You* may visit *your country of origin*, however, coverage will be suspended and expenses will not be covered, nor premiums refunded, while in *your country of origin*, except when *you* are there expressly to participate in a school- organized sporting or extra-curricular event.

You must not take any action or execute any documents after the loss that will prejudice the Insurer's right to such remedies.

2. Assignment of Benefits

Where the Insurer has paid expenses or benefits to *you* or on *your* behalf under this policy, the Insurer has the right to recover, at its own expense, any benefits available to *you* from any applicable source or any insurance policy. This policy also allows the Insurer to receive, endorse and negotiate eligible payments from those parties on *your* behalf.

3. Other Insurance

This insurance is a second payor plan. For any loss or damage *Insured* by, or for any claim payable under any other liability, group or individual basic or extended health insurance plan, or contracts including any private or provincial or territorial auto insurance plan providing *hospital*, medical, or therapeutic coverage, or any other insurance in force concurrently herewith, amounts payable hereunder are limited to those covered that are in excess of the amounts for which *you* are *Insured* under such other coverage.

In the event the *Insured* is not a resident of any Canadian province or territory, the governing law shall be the law of the Province of Ontario.

Any *Insureds* making a claim under this policy and the parties to this policy agree that all actions will be referred to arbitration.

This policy is governed by the laws of the province or territory where this policy was issued.
